## **2-Title of the Event:** Sport and Sport Heritage of Izmir's Social Life within 20th Century

**Content:** Sport has a significant place for the social life of Izmir through history. It has left permanent marks to the city in terms of urban memory. 6th Mediterranean Olympics that was realized in 1971 was held in Izmir. Football teams such as Altay, Göztepe, Altınordu and Karşıyakaspor as well as their matches have their places in the urban identity of the city.

First horse races in Turkey began in Izmir in 1856. Horse racing is known to play an important role in the social life of the city in the 20th century. Moreover, as it has learn from written sources, citizens of Izmir have showed great interest to these races even train hours have arranged according to the time table of the races. Within the context of this year's 18<sup>th</sup> April theme "The Heritage of Sport", Izmir's historical values will be handled through discussing the relationship between city's social life and sport.
